B. Notes on the balance sheet

1. Receivables and other assets

The receivables and other assets in the amount of TEUR 5.185 (Prior Year ("PY") TEUR 3.558) relate solely from receivables from related companies.

During the current period, receivables from related parties mainly include the amount receivable from the issuance of securities (turbo warrants) in the amount of TEUR 4.903 (PY TEUR 3.179) and a receivable from the transfer pricing fee as per the Hedging and Incidental Services Agreement with a related party Brightpool¹, with a carrying amount of TEUR 282 (TEUR 338). Based on the Hedging and Incidental Services Agreement physical payments are only required by Brightpool¹ on the transfer pricing fee. There are no receivables with a maturity of more than one year.

2. Cash balance, Bundesbank balance, Deposits with banks and Cheques

The bank balance from EUR accounts at domestic credit institutions amounts to TEUR 373 (PY TEUR 97).

3. Prepaid expenses

The prepaid expenses in the amount of TEUR 146 (PY TEUR 45) results from prepaid regulatory fees amounting to TEUR 142 (PY TEUR 41) and prepaid fees relating to the issuance of the turbo warrants amounting to TEUR 4 (PY TEUR 4).

4. Equity capital

Equity capital with a carrying amount of TEUR 367 (PY TEUR 254) is made up from the profit carried forward from previous year in the amount of TEUR 229 (PY TEUR 90), the profit of TEUR 113 (PY TEUR 139) and the unchanged from prior year and fully paid subscribed capital of TEUR 25. The parent company and Brightpool¹ have issued a guarantee deed for Raydius (please see D 6.).

5. Accruals

Other provisions with a carrying amount of TEUR 341 (PY TEUR 141) consist mainly of other accounts payable amounting to TEUR 175 (PY TEUR 102), regulatory fees amounting to TEUR 145 (PY TEUR 19), and audit fees amounting to TEUR 21 (PY TEUR 20).

6. Liabilities

Liabilities with a carrying amount of TEUR 4.945 (PY TEUR 3.305) consist of the amount due to the holders of the turbo warrants amounting to TEUR 4.903 (PY TEUR 3.179) and an amount due to related companies amounting to TEUR 42 (PY TEUR 126).

The liabilities to the holders of the issued securities in the amount of TEUR 4.903 (PY TEUR 3.179) are combined with the hedging contract in a single valuation unit.

¹ Brightpool Limited, Limassol, Cyprus

7. Accounting according to single valuation unit (§254 HGB)

The Hedging and Incidental Services Agreement stipulates that Brightpool¹ is liable for and settles all of the Company's liabilities arising from the turbo warrants and in return, the Company undertakes to pay the issuance value of the turbo warrants. The above arrangement leads to the netting off of the receivable balance from Brightpool¹.

The hedging contract, therefore fully covers the possible risks. The hedged risk amount on the reporting date is TEUR 401 (PY TEUR 0,3).

The valuation unit was built according to § 254 HGB and was shown in the balance sheet according to the freezing method.

INDEPENDENT AUDITOR'S REPORT

To Raydius GmbH, Frankfurt am Main

Audit Opinion

We have audited the annual financial statements of Raydius GmbH, Frankfurt am Main, which comprise the balance sheet as at 31 May 2024, the statement of profit and loss, cash flow statement and statement of changes in equity for the financial year from 1 June 2023 to 31 May 2024 and notes to the financial statements, including the presentation of the recognition and measurement policies.

In our opinion, on the basis of the knowledge obtained in the audit, the accompanying annual financial statements comply, in all material respects, with the requirements of German commercial law and give a true and fair view of the assets, liabilities and financial position of the Company as at 31 May 2024 and of its financial performance for the financial year from 1 June 2023 to 31 May 2024 in compliance with German Legally Required Accounting Principles.

Pursuant to § [Article] 322 Abs. [paragraph] 3 Satz [sentence] 1 HGB [Handelsgesetzbuch: German Commercial Code], we declare that our audit has not led to any reservations relating to the legal compliance of the annual financial statements.

Basis for the Audit Opinion

We conducted our audit of the annual financial statements in accordance with § 317 HGB in compliance with German Generally Accepted Standards for Financial Statement Audits promulgated by the Institut der Wirtschaftsprüfer [Institute of Public Auditors in Germany] (IDW). Our responsibilities under those requirements and principles are further described in the "Auditor's Responsibilities for the Audit of the Annual Financial Statements" section of our auditor's report. We are independent of the Company in accordance with the requirements of German commercial and professional law, and we have fulfilled our other German professional responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the annual financial statements.

Responsibilities of the Executive Directors for the Annual Financial Statements

The executive directors are responsible for the preparation of the annual financial statements that comply, in all material respects, with the requirements of German commercial law, and that the annual financial statements give a true and fair view of the assets, liabilities, financial position and financial performance of the Company in compliance with German Legally Required Accounting Principles. In addition, the executive directors are responsible for such internal control as they, in accordance with German Legally Required Accounting Principles, have determined necessary to

enable the preparation of annual financial statements that are free from material misstatement, whether due to fraud (i.e., fraudulent financial reporting and misappropriation of assets) or error.

In preparing the annual financial statements, the executive directors are responsible for assessing the Company's ability to continue as a going concern. They also have the responsibility for disclosing, as applicable, matters related to going concern. In addition, they are responsible for financial reporting based on the going concern basis of accounting, provided no actual or legal circumstances conflict therewith.

Auditor's Responsibilities for the Audit of the Annual Financial Statements

Our objectives are to obtain reasonable assurance about whether the annual financial statements as a whole are free from material misstatement, whether due to fraud or error, as well as to issue an auditor's report that includes our audit opinion on the annual financial statements.

Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with § 317 HGB and in compliance with German Generally Accepted Standards for Financial Statement Audits promulgated by the Institut der Wirtschaftsprüfer (IDW) will always detect a material misstatement. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual financial statements.

We exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the annual financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our audit opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal control relevant to the audit of the annual financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an audit opinion on the effectiveness of this system of the Company.
- Evaluate the appropriateness of accounting policies used by the executive directors and the reasonableness of estimates made by the executive directors and related disclosures.
- Conclude on the appropriateness of the executive directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in the auditor's report to the related disclosures in the annual financial statements or, if such disclosures are inadequate, to modify our audit opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future

events or conditions may cause the Company to cease to be able to continue as a going concern.

- Evaluate the overall presentation, structure and content of the annual financial statements, including the disclosures, and whether the annual financial statements present the underlying transactions and events in a manner that the annual financial statements give a true and fair view of the assets, liabilities, financial position and financial performance of the Company in compliance with German Legally Required Accounting Principles.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
